2nd June 2014

Dear Parents

WORLD CUP CHALLENGE – SPONSORED EVENTS

As previously advised FOS are running a sponsored event for the final fundraising push for the playground equipment required for the lower school and as it's The World Cup this year we thought that this could be the theme. This event is very kindly being organised and run by Ben Roberts and his team at hbsoccer (www.hbsoccer.co.uk). We are very, very grateful for all their help and all the free time that they have given up in the planning and running of this event.

Each class will be representing a Country and will be given a Class flag to carry round the event. They are welcome to bring in clothes suitable for the football activities, for example in the Country's colours picked for their class. These will be picked out of the hat and allocated to classes this week in Collective Worship.

We are also trying something new and hoping to put this event on the Just Giving website to make things easier for everyone, a link to this will hopefully follow next week; however in the meantime please find attached the sponsorship form.

World Cup Challenge: Classes 1 - 4 13th June 2014 1.45pm

This event will be held at the Sports Field and will comprise of Long Passing, Short Passing, Speed Dribble, and finally Goals, Goals and More Goals. The sponsorship will be on how many goals they can score within a minute. We do have a fall back plan should the weather be against us and we will hold it in the hall/classrooms. If this happens the school will send out a group text and you will still be welcome to come to the school to watch. If you do come to spectate, whether indoor or outdoor, please note that the children will be the responsibility of the teachers at all times as it will be within school time and parents will not be permitted to take children away from the event. The teachers will be in charge of returning them to school from which they will be dismissed by the usual method. We would appreciate some extra help so that the event runs smoothly, please email by return if you are available so we can allocate you to a teacher and a position. FOS will be serving refreshments at the end of the event and are also hoping to provide an ice lolly/pop to all participants, if you do not want your child to have one, please email by return and we will make sure that they don't have one.

World Cup Challenge: Nursery and Reception 16th June 2014 10.30am

This event will be held in the playground and activities will be as above, but tailored to being done with the younger children and again parents are welcome to spectate. If it is raining we will be holding the event in the hall, again if you can help please email by return. FOS are going to provide refreshments afterwards and we would like to provide the children with an ice lolly/pop after, but if you do not want your child to have one please email by return and we will make sure that they do not have one.

Finally can we ask you to refrain from taking photos and we would be grateful if all sponsorship money could be handed in (or if we get Just Giving up and running – paid on the website) by the 27th June 2014. As always if you have any queries concerning this event please do not hesitate to email us by return.

Many thanks for your continued support.
