Dear Parents,

**MRS BATCHELDER LEAVING COLLECTION**

We have been approached by several parents to coordinate a collection for Mrs Batchelder as sadly (for us) she is retiring at the end of the Summer Term. We are sure you will all agree she has been so important to all of our children that have been lucky enough to have her for various lessons especially PE and RE.

If you wish to donate to a collection the following mums will be collecting the money as follows ;

Nursery - Helen McKeich  
Reception - Niki Mancey- Jones  
Class 1 - Rebecca Nunn  
Class 2 - Tandy Titmus  
Class 3 - Helen McKeich/Niki Mancey-Jones  
Class 4 - Nadine Flanagan/Melissa Marchant

After speaking to her fellow teachers who have known her for many years we have taken their advice. This was that she would appreciate the money collected going to the Christian Charity that she intends on spending more time with teaching in Tanzania in the Autumn.

So we thought we would get her keepsake presents at a smaller cost rather than spending lots of money on unwanted gifts and present her with a cheque to give to her charity.

With that in mind Kati Jackson-Boniface (nappysnaps) is very kindly creating a typo-gift for us which we hope to incorporate lots of her brilliant sayings ie. In for safety - out for fashion, etc, so if you or your children have any 'quotes' you can add please email us by return we would be pleased to have more and will try our best to incorporate all of the most popular ones.

Thank you very much as always for your continued support.
