Dear Parents,

FILM, PIZZA & POPCORN NIGHT – FRIDAY 10th March 2017

Friends of School are running a film night for the whole school (except for Nursery unfortunately) on the 10th March 2017. It will run straight from school until 4.45pm. We will provide the children with pizza and popcorn and squash to drink. The cost for this will be £5.00 per child.

We will be showing three films in separate classrooms under the schools Public Video Screening License. After asking the children what they would like to watch, the most popular choices have been picked. So, R, 1 and 2 will be watching Trolls. Years 3 & 4 Secret Life of Pets and Years 5 & 6 Nine Lives.

Years R – 4 films are rated as U, however please be aware the option for Years 5 & 6 is rated as a PG. Trolls contains very mild comic threat. Secret Life of Pets contains mild action and some rude humour. Nine Lives contains mild bad language. So please decide that you are happy for your children to watch these films before booking them in.

We will provide one option of cheese and tomato pizza, popcorn and squash during the movie so please can you send an email if your child has an allergy that we need to be made aware of so we can provide a record for the helpers and discuss an alternative if need be.

You can pay on wise pay, however please pay for each child individually so that we have a complete record of who is coming and what year they are in for the teachers holding on to them at the end of the day. You can also pay with the correct money using the tear off slip and returning to the office in a sealed envelope, copies of the letter will be available in the FOS stand in the office foyer.

As we are providing food it would be helpful to have accurate figures by Wednesday 8th March (apologies for quick turn around) so please either get your slips and money back or pay on wise pay as soon as possible. (We do NOT need slips back if you have paid by Wisepay)

We would also **LOVE** to hear from you via email (so we can keep an accurate record) if you can help at this event.

Many thanks for your support as always, we hope the above makes sense, but if not or you have any queries please do not hesitate to contact us on fospottenend@gmail.com
