Dear *Potten End School*

I would like to thank you on behalf of DENS and our service users for your kind harvest donation. I have enclosed a certificate for you to display showing the total weight of your donation. We have included the weight of toiletries and cleaning materials as we wanted to acknowledge these items as part of your donation. This year we have seen a record amount of food donated and all together it will help us feed 1200 people for three days.

The items you kindly donated will be used across our services with the food being used to make emergency food parcels for people living in poverty and those struggling at times of crisis. Over the past 11 years, DENS has helped thousands of homeless people and those in poverty. In the last 12 months, our Foodbank has provided food for over 3,500 people. We could not have achieved that without the help of kind and generous people like you.

For more information about DENS and our services please visit our website www.dens.org.uk

If you wish to get more involved with DENS work and would like to find out how you can help, please contact our marketing team on 01442 800268 or email fundraising@dens.org.uk

Once again – thank you for your generosity.

Yours sincerely
