Dear Parents

CRAFT & SCIENCE NIGHTS 1st & 8th December 2014

Following the success of previous 'crèche nights' as previously advised we have decided to hold two more before the end of the year to get us nearer our fundraising aim of providing I-pads amongst other things for all of our children to use.

This year we have decided to offer alternatives to the usual apparatus and construction nights to give the children something a bit different to try. We would welcome your feedback or suggestions of what else we could try in future.

The cost is £5.00 per child, per activity. The activity will run straight from school and will finish at 4.30pm. You will notice the increase in the cost; this is unfortunately due to the materials we will have to purchase for use within the activities.

Each child will receive squash and a snack during the activities. Numbers will be limited and offered on a first come, first served basis.
