16<sup>th</sup> October 2014

Dear Parents

## **Bottle Tombola Donations – 24<sup>th</sup> October 2014 – Cosy Clobber Day**

Further to our recent forthcoming date letter, we wanted to clarify our Cosy Clobber Day, and what it entails! The children can come in anything they fancy, their onesies to their rainy day 'cosy' inside clothes, and in exchange for this we ask if you can donate a bottle for our extremely popular 'bottle' tombola at the school fair on the 29<sup>th</sup> November 2014.

Any bottle will do as long as it can be consumed, it can be alcoholic or non-alcoholic anything goes!

You may be wondering why we are doing this so early, well...never say FOS doesn't take criticism on the chin!

The feedback we have received indicates that in previous years it has felt like a constant onslaught of requests for donations for the Christmas Fair. We do need as much help as possible to make the Christmas Fair as successful as it has always been but we realise spreading the load over a greater time period would probably be better. So this year we are asking for the tombola bottles earlier to (hopefully) spread the load and cost out a bit.

We are very conscious that we regularly ask you to kindly donate various bits and pieces in the run up to the fair, but hope that you can appreciate it is only so that together we can make this event (our main fundraiser of the year) the success that it usually is. It is hoped that with your help, following this fantastic day, we will be in a position to make a start on the schools 'wish list' of equipment needed at our wonderful school – which directly helps everyone of your children.

We are hoping that you will be able to support FOS with this and bring in your bottles at drop off on the 24<sup>th</sup> October 2014.

Thank you for your continued support.
