

HELP NEEDED!

2014 – 2015 fundraising for Potten End Primary School

Here we are again at the start of a new school year and still riding high from the success of last year's fundraising. Hope you agree the new playground looks fantastic and once again thanks to each and every one of you who helped raise money last year for a wonderful contribution to the school.

A new year brings a new wish list and this year's fundraising will help to provide equipment for the foundation stage, a bookcase for the new building, watches for year 2 and iPads for all of our children to use – although this isn't an exhaustive list of course. The iPads have been requested as after lengthy discussions with 'technical people' it was decided that they are much more versatile than the originally suggested Raspberry Pi's. However this versatility requires funding and will be quite a large outlay – so please help wherever you can with our efforts to raise money. It may seem like we are asking for money every 5 minutes but it really is to benefit all of our children.

It is also true that it's the same people who run and help at our events and whilst this will continue, we really do need additional help. Please speak to Paula Aston, Helen McKeich, Nicola Castle or any class rep if you want to help or email us at fospottenend@gmail.com, any help, whether throughout the year or for a single event would be greatly appreciated.

We understand that not everyone has the time to be able to help with events and so this year we are introducing something new, the ability to make Gift Aid contributions via Wisepay. These can be a one-off contribution, a monthly amount or whatever suits your budget. So even if time is precious you can still contribute towards our fundraising efforts. The one off payment facility will be ready to use by Wednesday and if you want to set up a direct debit please email for details.

We look forward to another great year at Potten End School and hope you will continue to support Friends of the School who try to help make our school a wonderful place for our children.

Nicola Castle
