Dear Parents,

FILM, PIZZA & POPCORN NIGHT – WEDNESDAY 29th APRIL – ECOSPHERE FUNDRAISER

As previously advised Friends of School are running a film night for the whole school (except Nursery unfortunately) on the 29th April 2015. The club will run straight from school until 5.00pm. We will provide the children with pizza and popcorn again. The cost for this will be £ 5.00 per child.

This event will be held to raise money to purchase an Ecosphere for the school. Eco Spheres are complete self-sustained miniature worlds encased in glass. Originally pioneered by NASA scientists conducting research into how astronauts could survive in self-contained communities.

We will be showing two films in separate classrooms under the schools Public Video Screening Licence. After asking the children what they would like to watch, the most popular choices have been picked. So Years R, 1 and 2 will be watching Despicable Me 2 in the Reception classroom. Years 3, 4 and 5 will see How to Train a Dragon 2 in Year 6 classroom.

Despicable Me 2 is rated as a U film which contains very mild scary scenes and slapstick violence. How to Train a Dragon is rated as a PG film and contains mild comic violence and scary moments. So please decide if these are films that you are happy for your children to watch.

We will provide one option of cheese and tomato pizza, popcorn and squash during the movie so please can you send an email if your child has an allergy that we need to be made aware of so we can provide a record for the helpers.

You can pay on wise pay, however please pay for each child individually so we have a complete record of who is coming and what year they are in for the teachers holding on to them at the end of the day. You can also pay with the correct money using the tear off slip, copies of the letter will be available in the FOS stand in the office foyer.

As we are providing food we will need accurate figures by Monday 27th April by the latest so please either get your slips and money back or pay on wise pay as soon as possible.

We would LOVE to hear from you via email (so we can keep an accurate record) if you can help at this event, as we are serving pizza we will need extra help.

Many thanks for your support as always, we hope the above makes sense, but if not or you have any queries please do not hesitate to contact us on fospottenend@gmail.com
