Dear Parents,

This year Friends of the School are working extra hard to raise the money for the following items that the school would love to have for our children, and as they are expensive items they can't be funded by HCC alone:

- | | |
|--|-------------------|
| Wooden climbing frame for the lower school playground | Programmable Lego |
| Interactive TV's for the classrooms (like large iPads) | Raspberry Pi's |

With fundraising in mind we have decided to try something a bit different this year by holding a...

Golf Day

It will take place at **Mentmore Golf Club** on **Sunday 22nd June**, (the weekend after Father's Day!) so this could make a great present for Dad's/Granddad's/Uncle's, having said that this event is open to **all parents** so ladies if you like golf come along too and show the men how it's done!!

The day will begin at 1pm with tea/coffee on arrival, the golf will then be held on the Rothschild course followed by a one course meal selected from the Chef's Special menu, details of this to follow.

The cost of this event is £40 per person. To guarantee the event can go ahead we need confirmation of numbers by the **14th February 2014**. We are therefore asking for a £20 deposit per person to be provided along with the attached booking form, balance will be payable nearer the time (or we will return deposits if we don't meet the minimum numbers). If you would like to bring some friends along and make up a four ball, or more, that would be great, the more the merrier! The more players we have the more money we raise for the school!

To play you don't need a handicap, but must be able to play golf and adhere to course etiquette. If you wish to look at the course and club facilities go to: <http://www.mentmorecountryclub.co.uk/>

Many thanks for your continued support, if you would like to be more involved with our fundraising efforts or have any suggestions for new fundraising ideas then please contact us at: pottenendschool10@gmail.com
