Dear Parents

March 2015

School Milk - Summer 2015

Children in Reception to Year 5 are entitled to milk next term at a cost of **£13.20**. We have been asked to point out to parents the nutritional benefit of mid-morning milk and that this is being provided at reduced prices as a result of European Community subsidy.

We are also advised by Herts County Council that the **following children are entitled to free school milk:**

- Children in Reception Class who are aged 4 for the whole term.
- Any children who are currently entitled to benefit related free school meals (not Universal Free School Meals).

If at all possible, please pay for milk and snack using WisePay (there is then no need to return the tear-off slip) by **FRIDAY 27 MARCH**. If your child requires milk and you are **unable** to pay using WisePay, please return the tear-off slip, to the office, via your child's book bag. **Unfortunately, as the ordering system is now computerised, unless the form is returned by this date, we will not be able to process your request for the coming term.** Many thanks.

Yours sincerely
Andrew Morris
