Dear Parents,

CHAIR OF FRIENDS OF THE SCHOOL POSITION

As some of you may know, recently my family and I have made the decision to leave Hemel Hempstead for pastures new. Our adventure is in Cheshire so as you can imagine I will no longer be able to chair the Friends of Potten End School.

Firstly I would like to say a HUGE thank you to all the parents/grandparents/Head teachers/teachers/support staff and of course the lovely ladies in the office for all your support throughout my 3 years as Chair. I have really enjoyed the opportunity but I'll admit it has been stressful at times, however that just made me more determined to make my time as Chair a success. It has been a very rewarding position.

I would secondly like to say a MASSIVE thank you to Helen McKeich my amazing Secretary, Nicola Castle the wonderful Treasurer and also ALL of the committee members and Class Reps that have made my role so much easier with their help and support. I can honestly say I am leaving this role and Potten End School with a heavy heart.

With all the above in mind I would like to let you know that I will continue in the role of Chair until I am no longer able to or until the end of the summer term, depending on my move date!

Therefore there is an amazing opportunity for a NEW Chair with fresh ideas and a passion to make **your child's** school a better place to be!

The main role of this position is to co-ordinate the acquisition of much needed funds, in order to provide additional educational tools and equipment for our school, whilst having fun and seeing the school blossom. **YOUR SCHOOL NEEDS YOU!**

If you think you might be interested in finding out more about the role then please feel free to contact me either directly at school or by email: pottenendschool10@gmail.com.

I would like the opportunity to help the new Chair settle in so that they feel comfortable getting things moving from September.

This opportunity is open to any parents at the school, if you have any questions please feel free to ask!!!

Kind regards and best wishes to you all for the 15-16 school year!
