

School Council

Dear all,
Potten end school council is back and we are here to make a difference, even though our school is great already.

Our main goal for this year is to raise £10,000 for a multi-sunction learning space for clubs, meetings and many other uses. We have already raised £4,200 after all the classes did a fundraising events last year. Last years year 6 raised almost £2,000 on a water walk which simulates what poor children go through everyday for dirty water instead of going to school. We would be grateful for any fundraising ideas. Please keep watching for whole school fund-raises.

All the best from the school council team supported by Mrs. Hood and Mrs. Grasper.
