Dear Mrs Hood,

I am writing to thank you and all the children in Potten End Village School for all those lovely Christmas Shoeboxes you filled with gifts and gave for poor children in Romania. The boxes looked so exciting all wrapped up in their pretty Christmassy paper, and I know they will bring a thrill to each child who receives one this Christmas. It's a great way to demonstrate God's love and show some children of very poor families that they are not forgotten.

Thank you also for the wonderful selection of activities and craft materials. Everything went off to Romania by lorry, together with some packs of second hand clothes and shoes, babies' things and household equipment. I hear that it has all arrived safely at the Bethlehem Centre in Hunedoara, from where it will be handed to the children. The team there sent a huge 'thank you' for your generosity.

With my best wishes for a very happy Christmas.

ps. Task Force Romania is no longer a registered charity, but many of its members continue to give unofficial and dedicated support the same Romania charitable projects as before.
