

The Story of the Build

Week 1 - Beginning 24th February

The pupils and staff at Potten End have been watching the development of the build with great interest. Year 4 are going to tell a week by week a week account of the build as it happens. Keep checking for updates.

Coby has taken these photos and had the follow things to say:

The diggers move in! Huge blocks of concrete were dug up from underneath the old Year 2 classroom.

The ground was sticky from all of the rain!
