

My name is Millie, I am  
9 year's old. I am writing to tell  
you about my horse-riding at  
Hastoe Hill Stables. I normally go  
once a week on either Saturday or  
Sunday. There are loads of different  
horses. But my favourites are called:  
Pogo, Tina and Bluebell. Pogo is a  
Welsh po Palimino, she is the  
smallest horse they have, she  
is also very very fast. Tina is a  
brown horse who is quite small  
but a bit bigger than Pogo she is  
fast in canter but quite slow in  
walk and trot. Bluebell is a  
cream horse who is very lazy,  
she is the same size as Tina.  
My first lesson was on Bluebell,  
when I was ~~5~~ on her I learned  
~~learnit to 5~~ was learning to  
stop, halt, walk on and trot.  
Now I am learning to Canter!

Natural

This week I think I am  
cantering and stiring!

WHAT YOU MUST NEVER

DO AROUND HORSE'S: don't  
stand right behind they  
because they might kick you,  
don't shout around them / because  
they might get scared and don't  
pull on the reins too hard  
because it will hurt them  
and don't hit them too hard  
with a whip. I love horse -  
riding, it's my favourite sport.

My riding teacher is called  
Hannah, she is very kind  
and always ~~teach~~ teaches me  
new things.

WHAT YOU MUST  
ALWAYS WEAR: riding hat, special  
type of leggings and boots.
