Dear Parents and Carers,

RE: Behaviour meetings last week

Thank you so much to all the parents and carers who were able to attend the behaviour meetings on Wednesday last week. Your continuing support is really appreciated.

The sessions were incredibly positive, with some interesting and poignant questions raised. During the sessions I shared the changes we are making at Potten End C of E Primary School and what these changes look like for the children and adults here.

The ideas and strategies we are incorporating come from a fantastic book called 'When the Adults Change, Everything Changes' by Paul Dix. Paul is a lead specialist in behaviour and has worked with hundreds of schools and the government in his research. A lot of parents have asked if they can borrow a copy of the book. As a school we were able to buy a copy for every adult who works in the school so if you'd like to borrow one please email me on mrs_brown@pottenend.herts.sch.uk and I will ensure you get a copy.

I am also sending out a copy of the Powerpoint that I shared with parents and I have added a final slide containing a copy of the 'script' that is being used with children when they break one of our three school rules; Be respectful, Be ready, Be safe. Again, any questions please feel free to contact me.

It was fantastic to see so many of you as enthusiastic as we are about positive behaviour!

Best wishes,

Gilly Brown
