

Dear All

Just to give you an update as to what some of your hard earned money has been spent on recently, Friends of School are pleased to announce they are purchasing/have purchased the following....

- > A replacement Smart Board for Year 6 Classroom - £ 2475
- > Geography and History Resources for the whole school - £ 500
- > Goals for PE and football matches played at home - £ 1100
- > SEN reading books - £ 252
- > Wonder Wood - £ 600

As previously advised we have agreed to purchase a further £ 1400 of resources for Wonder Wood and we have spent £2,145 on 5 x SEN computers (the ones we had donated by Chad Harwood-Jones (Ad-Rank Media) weren't able to support the software required so they have been utilised elsewhere within school which has been a massive help - thank you again). We paid for the visiting pantomime at Christmas, as well as the food for the Children's Christmas parties. We also pay for the Education City subscription, and finally the new Maths Equipment @ £2717 that was introduced into lessons this academic year.

Of course when I say we, I mean all of you, as without you and your fundraising help none of these worthwhile purchases would be made!

As always may we thank you for you continued support.

Friends of School

PS Please note all the dates we have added to our forthcoming date list, so you can get them in your diary (where indicated more details will follow soon).
