9 February 2024

Dear Reception Parents and Carers

Following up on the feedback received from the recent Parent Forum, I am pleased to extend an invitation to you for an upcoming meeting aimed at assisting you in navigating both the Numbots and Purple Mash websites. These platforms offer invaluable opportunities for your children to both consolidate and enhance their learning experiences.

We understand that familiarity with these online resources can greatly support your child's academic journey, and we are committed to ensuring that you feel confident in utilising them effectively. Therefore, we would like to invite you to join us for an orientation session.

Details of the meeting are as follows:

Date: Monday, March 11th Time: 9:00 am

During the meeting, we will provide you with a guided tour of both Numbots and Purple Mash, demonstrating key features and functionalities. Additionally, we will be available to answer any questions you may have and provide assistance as needed.

We genuinely look forward to welcoming you and working together to maximise the educational benefits of these online platforms for your child. Your participation and engagement are invaluable to us, and we are eager to support you every step of the way.

If you have any questions or concerns in the meantime, please do not hesitate to contact us. Thank you for your continued partnership in your child's education.

Kind regards

Melanie Hall

Reception Teacher
