Year 4 Multiplication Times Table Check

Dear Year 4 Parents and Carers

As you are aware, your children will be completing the Multiplication Times Table Check in June this year. The purpose of the Multiplication Check is to determine whether pupils can recall their times tables fluently to support their success in mathematics and to ensure the foundations are in place to access the curriculum moving forwards.

The children will complete the check in school, between Monday 3 June - Friday 14 June 2024. We are unable to give you an exact date during this window. The children work on their times tables consistently in school and have been completing weekly checks in a very similar format since September.

In order to support your child further with this, they could complete additional sound checks on TT Rock Stars as often as they wish.

Kind regards,

Miss Ford
Maths Lead
