## The History of Toys

Dear Parents and Carers

To complement our study of the History of Toys, we have invited History Off the Page to provide a History of Toys Day, in the school, on Friday 8 May 2026.

The voluntary contribution for the day is £21.80, which is for a whole day of learning. Please could you pay this via Arbor, unless your child is in receipt of Pupil Premium.

History Off the Page is a company which provides immersive and practical History, Science and Literature workshops to schools. The workshop, which will take place in the school hall during normal school hours, will allow the children to explore toys in an investigative way.

On the day, your child will explore how toys have developed and changed over time, including the materials they are made of and how they are used. Based on what they learn, they will then make simple toys of their own. The children can keep the items they make.

We need a number of adult helpers during the day, and we welcome your participation. If you are able to attend please email the school office.

Yours sincerely

Mrs Garibaldi  
Year 1 Teacher
